Please get this over with. The Clinton and Gore Era started this. I am a Consumer and on the Internet ONLY BECAUSE OF MICROSOFT. No one has done more for the technology and our country plus the consumers than Microsoft. Our Stock Market needs MSFT stability. Please get off our only good Stock that make the world turn. Tell Microsoft you are sorry and pay his Lawyer Bills. The Courts should beg forgiveness and the States Attorney Generals that went against our only Gross National Product. I hope every State that continues to try and get money from Microsoft gets paid back. Remember the golden Rule.
